

Thanks for stopping by!

Below is a preview of our application alongside some tips and notes.

If you're new to <u>Ideawake</u>, you'll need to "Create An Account" to start your application. We recommend using Google Chrome.

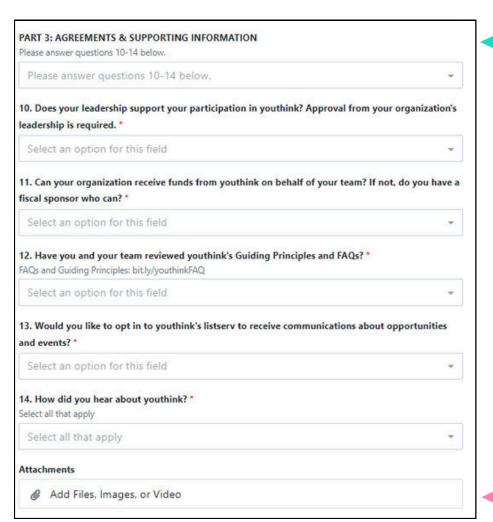

First, provide contact information for the point person for your team - also known as the "team lead." This person will be the single point of contact for your application.

Use questions 1-4 to tell us your 'why' - In other words, why are you interested in joining youthink? What are you hoping to innovate around?

| Who is impacted by the problem or gap you want to address? Has your te population? Please describe. * | am engaged with that |

Use questions 5-9 to tell us all about your team. There is also an "Attachments" section at the end to upload supplemental team materials if you'd like!

Finally, please provide some administrative details in questions 10-14.

Attachments are an optional space for any additional materials you'd like us to consider - Let your creativity shine!
